

CALL FOR PAPERS

JOURNAL OF COMMUNICATION AND INFORMATION SYSTEMS (JCIS)

The Brazilian Telecommunications Society (SBRT), announces a special joint issue of its associated journal, the Journal of Communication and Information Systems (JCIS), formerly known as the Journal of the Brazilian Telecommunications Society (JBTS). This special issue will be technically co-sponsored by the IEEE Communications Society.

The Journal Communication and Information Systems invites you to submit articles written in English for this special issue, which will cover the topics listed in the following. The JCIS was created in 1986 by the Brazilian Telecommunications Society (SBRT), an IEEE ComSoc Sister Society, as a way to document and disseminate research results. The JCIS publishes **high-quality papers** aimed at the international audience. The JCIS is published **quarterly**, and is indexed by **INSPEC** and **Compendex**.

Authors are advised to prepare the originals using LaTeX and submit a PDF (Portable Document Format) or PS (PostScript) electronic version of the paper (IEEE format) to the Editors-in-Chief. The SBRT web page <http://www.sbrt.com.br/revista.htm> has more information for Authors.

Important Dates: Submission Deadline: **July 15, 2006**
Notification of Acceptance: **October 30, 2006**
Publication Date: **December 30, 2006**
